Nationality: Indian

PROFILE

A Computer Engineer with work experience in information technology. Focused on identifying client needs and implementing them into practice. Volunteer experience in an Ngo for underprivileged and marginalized community in India. Aiming to be a trained professional in the field of management and seeking to join as a Business Development Consultant in McKinsey & Co after doing specialization in Business school. This experience would provide some of the requisite skills to achieve long-term goal of leading and managing a not-for-profit organization for underprivileged communities in India, Nepal and Bangladesh.

EDUCATION

- 6/2009-7/2013 **University of Mumbai, Mumbai, India.**
Bachelor of Engineering specializing in computer engineering.
First Class with Distinction. Focus on Information Technology.
Awards-Outstanding student award'2013 for leadership and Excellence.
Bachelor-Thesis on SMS using Web Services.
- 6/2007-5/2009 **HSC Maharashtra State Board, Pune India.**
An intensive two-year course specializing in science for entrance exams to engineering schools. . A levels: Mathematics, Physics and Chemistry.
- 2007 **SSC Maharashtra State Board, Pune India.**
High School Diploma with honors specializing in Math and Science.

PROFESSIONAL EXPERIENCE

- 8/2013-present **Selected as Business Analyst Intern at Larsen & Toubro (L&T) Infotech, Mumbai with 15/03/2014 as date of joining.**
Project Engineer at "Rexcel Technologies" specializes in Graphics and Website Designing and Developing.
- Opportunity to work across technical as well as social role.
 - Managed group of my peers.
 - Estimated cost of projects and set prices for clients.
 - Actively participated in client meetings and sales negotiations.
 - Prepared client presentations and sales performance analysis.
 - Coordinated and communicated client needs with programmers, while being the single point of contact between the client and development team.
- 1/ 2012-2/2012 **Internship at Suven Consultants**
- Lead team of 5 members to develop and implement Online Image Gallery.
 - Here my role was to collect requirements from client and develop the flow of project as well as managing final testing.
- 3/ 2012-present **Volunteer Experience:**
Parivartan Foundation- for Action, Research and Advocacy in Health and Development (a not-for-profit organization that works for the underprivileged and marginalized Community in India)
- Organized and coordinated a street-play with its theme as 'Stop Female foeticide and save the girl child' at Marine Drive.(Recent studies show 40percent improvement).
 - Implemented **CAREER FAIR WORKSHOP** to spread awareness regarding variety of educational degree courses and scholarships available in India.
 - Helped organization receive funding from LIC for various social programmes.

LANGUAGES AND COMPUTER SKILLS

Computer Excel proficient, HTML/Java basic knowledge, C++, Oracle 10g.

Languages English: Fluent , Marathi: Native, Hindi: Advanced, Sanskrit: Advanced, French: Basic.

INTERESTS AND ACTIVITIES

- Organized a winter break tour to major tourist spots in Maharashtra.
- This tour inspired me to create **MAHARASHTRA TOURISM GUIDE WEBSITE** as a pre-final year project.
- Captained Department cricket team which finished as Runners up in College Sports tournament.
- Supervised more than 100 students as **CLASS REPRESENTATIVE** for 4 years.
- Coordinated National level Technical Robotics competition and Workshop **RoboOpus-2012** conducted by Indian Institute of Technology (IIT-Delhi).
- Launched new initiative "**RECRUITMENT DRIVE-2013**" through Student Senate.(Multinational companies like ZYCUS and NIIT participated).
- Implemented **STATE LEVEL TECHNICAL FESTIVAL-12** as elected Technical Head of Student Senate.(Survey showed it is considered as most successful and well organized event in last 5 years).
- Interests in Cooking Indian Food, Politics in India, Volunteer work.
